The Company Secretary acts as the secretary of the meeting.

## Term of reference (ToR) of the Committee

The BIRMC was established by the Board of Directors in compliance with the direction issued by the Central Bank of Sri Lanka on Corporate Governance for Licensed Specialised Banks.

The composition and the scope of the work of the Committee are in conformity with the above directions. The Board of Directors has approved the ToR as per the above directions.

The major function of the BIRMC is to manage and review the overall risk profile of the Bank which includes the following responsibilities:

1. The Committee shall assess all risks i.e. credit, market, liquidity, operational risks of the Bank on a monthly basis through appropriate risk indicators.
2. The Committee shall review the adequacy and effectiveness of all management level committees.
3. The Committee shall take prompt and corrective action to mitigate the effects of specific risk when such risk is beyond the prudential levels decided by the Committee.
4. The Committee shall establish a compliance function to assess the Bank compliance with laws, regulations, regulatory authorities, internal controls and approved policies in all areas of business operations. A dedicated compliance officer selected from Key Management Personnel shall carry out the compliance function and report to the Committee periodically.

## Committee activities during the year

During the year under review several value additions and procedures were introduced by the Committee to further strengthen the Risk Management Process of the Bank. The Bank-wide Operational Risk goals were approved by the Committee during the year, enabling the Bank to report and mitigate high level operational risk incidents. The Committee also reviewed and approved changes to internal limits for credit and integrated risk indicators in line with the risk appetite of the Bank.

The BIRMC reviewed the quarterly internal capital adequacy calculations and methodology and future projections. The Bank's Internal Capital Adequacy Assessment Process report submitted to the regulator was reviewed by the Committee. All assumptions and methodologies used in stress testing as well as three-year capital projections were reviewed.

The Committee also reviewed the significant risks arising from Credit, Market, Liquidity and Operational areas in addition to reviewing the effectiveness and efficiency of Key Management Committee meetings held during the year.

## Meetings

The BIRMC met five times during the year under review. The attendance of the Committee members at the meetings of the Committee is tabled on page 125. The minutes of meetings are regularly forwarded to the Board together with detailed key risk indicators, stress testing reports and forecasts. All key risk indicators and potential risks were discussed and reviewed at each meeting and appropriate mitigatory measures taken where necessary.
